Current last day of school

Parents,

the new last day of school is now *June 13, 2012*. For each snow day that we have from today on will push back the last day back correspondingly by one day. We are asking and recommending that parents not schedule vacation until June 20, 2012 so that students will be able to take exams and have them count. We will be taking only doctor's notes for substitute or make up exams. The target date for Senior graduation is now June 13, 2012. That is a tentative date and can be affected by snow days and other factors. Please keep that in mind, that all these new dates are tentative dates.

Fever On Ice Program Saturdays 4:45 – 6:15 pm at the International Skating Rink in Simsbury Grades 6-9 students welcomed See Coach Michael's in room 160.
